WHEREAS, on November 6, 1996, the voters of the State of California approved Proposition 218 (California Constitution, Article XIII C), an amendment to the State Constitution which requires that all general taxes which are imposed, extended or increased must be submitted to the electorate and approved by a majority vote of the qualified electors voting in the election; and

WHEREAS, the amendments proposed in the attached ordinance which increase the rate of the TOT constitute a tax "increase" subject to Proposition 218; and

WHEREAS, the amendments proposed in the attached ordinance which apply the TOT rate to the total rent charged to a guest for occupancy in a hotel (including any retail markup and other charges imposed through purchase of occupancy through an employer, agent or on-line travel company) may also be characterized as an "increase" in the TOT under Proposition 218; and

WHEREAS, pursuant to Proposition 218 (California Constitution Article XIII C, §2(b)), any election for the approval of an increase to a general tax must be consolidated with a regularly scheduled general election for members of the governing body of the local government; and

"Shall an ordinance amending the Azusa Municipal Code be adopted to increase the rate of the Transient Occupancy (Room) Tax from 7.5% to 10%, and to apply the Tax to all rent charged by hotel operators, including online travel companies, for the transient occupancy of any hotel room, to help maintain general City services such as police and fire protection, street operations and maintenance, and library, parks and recreation services?"

MEASURE "A"

AN ORDINANCE OF THE PEOPLE OF THE CITY OF AZUSA AMENDING THE CITY'S TRANSIENT OCCUPANCY (ROOM) TAX CODE BY INCREASING THE RATE FROM 7.5% TO 10%, AND ADDRESSING ONLINE TRAVEL COMPANY AND OTHER THIRD PARTY BOOKINGS, AND MAKING VARIOUS CONFORMING CHANGES.

(NOTE: additions are highlighted in *bold italics* and deletions are highlighted in ~~strikeout~~)

THE PEOPLE OF THE CITY OF AZUSA, CALIFORNIA DO HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Section 70-157 of Article IV of Chapter 70 of the Azusa Municipal Code is hereby amended to read as follows:

"Sec. 70-157. Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Block Reservation means an arrangement whereby a person reserves, whether on an exclusive or non-exclusive basis, a room or block/group of rooms for a defined period of time under a written or oral agreement with an operator, intending for such room(s) to be occupied by that person's employees or agents on an intermittent, periodic or "as needed" basis during that defined period of time.

Hotel means any structure, or any portion of any structure, which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, tourist home or house, motel, studio hotel, bachelor hotel, lodging house, rooming house, apartment house, dormitory, public or private club, mobile home or house trailer at a fixed location, or other similar structure or portion thereof.

Occupancy means the use or possession, or the right to the use or possession of any room or rooms or portion thereof (whether or not the person entitled to the use or possession actually uses or possesses such room or rooms or portion thereof), in any hotel for dwelling, lodging or sleeping purposes. The use or possession or right to use or possess any room or any suite of connecting rooms as office space, banquet or private dining rooms, or exhibits, sample or display space shall not be considered "occupancy" within the meaning of this definition unless the person exercising occupancy uses or possesses, or has the right to use or possess all or any portion of such room or suite of rooms for dwelling, lodging or sleeping purposes.

Online Travel Company shall mean any person, whether operating for profit or not for profit, which enables transients to purchase occupancy in a hotel via the Internet, or by similar electronic means.

Operator means a person who is proprietor of the hotel or any other person who has the right to rent rooms within the hotel, whether in the capacity of owner, lessee, sublessee, mortgagee in possession, licensee, seller, reseller, or any other capacity. Where the operator performs his functions through a managing agent or booking agent of any type or character, other than an employee (including, but not limited to, an online travel company), the managing agent or booking agent shall also be deemed an operator for the purposes of this Part and shall have the same duties and liabilities as his principal. Full compliance with the provisions of this Part by either the principal or the managing agent or booking agent shall, however, be considered to be compliance by both.

"Person" shall mean any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

Rent means the total consideration charged to the transient, (including but not limited to, room rates, service charges, parking fees, purchase price, advance registration, block or group reservation charges, assessments, retail markup, commission, processing fees, cancellation charges, attrition fees, or online booking fees), whether or not received, for the occupancy of space in a hotel valued in money, whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever. Nothing in this definition shall be construed to mean that rent is charged directly or indirectly for occupancy in a hotel when a room is provided to the transient as a compliment for the operator and where no consideration is charged to or received from any other person. Further, bona fide charges for food and beverages which are subject to tax under the California Sales and Use Tax Law (Revenue and Taxation Code Sections 6001 et. seq.) shall not be deemed rent subject to the tax imposed by this Part.

Tax Administrator means the city clerk Director of Finance, or his or her designee.

Transient means any person who exercises occupancy or is entitled to occupancy by reason of concession, permit, right of access, license or other agreement for a period of 30 consecutive calendar days or less, counting portions of calendar days as full days. The following rules shall apply to this definition:

A. Any such person so occupying space or entitled to occupy a room in a hotel shall be deemed to be a transient until the period of (30) calendar days has expired unless there is an agreement in writing between the operator and the occupant providing for a longer period of occupancy or payment for more than 30 consecutive days has been made in advance. In the event a person exercises or is entitled to occupancy for a continuous and uninterrupted period of longer than 30 calendar days, he or she shall be deemed a transient and subject to the tax for only the first 30 calendar days of occupancy and shall cease being a transient and the tax shall not apply on the 31st calendar day of occupancy and following. However, any break or interruption in occupancy shall start a new 30 day period subject to the tax.

B. In determining whether a person is a transient, uninterrupted periods of time extending both prior and subsequent to the effective date of this Part may be considered.

C. *Any person who exercises or is entitled to occupancy for a period of 30 consecutive calendar days or less shall be deemed to be a transient for that period, regardless of whether the reservation and/or payment for occupancy is made directly by the person exercising or entitled to occupancy or by another person. The intent is to tax the person exercising occupancy or having the entitlement to occupancy of a hotel room.*

D. *In the case of a block reservation, a person's employee or agent shall be deemed a transient if that employee or agent exercises or is entitled to occupancy of a room for a period of 30 consecutive calendar days or less, regardless of the duration of any block reservation agreement. By way of example, if a corporation enters into a one-year block reservation agreement with an operator and one of the corporation's employees occupies a room for 30 calendar days, the employee shall be deemed a transient whose occupancy is subject to the tax, notwithstanding the fact that the block reservation agreement has a duration longer than 30 calendar days."*

SECTION 2. Section 70-158 of Article IV of Chapter 70 of the Azusa Municipal Code is hereby amended to read as follows:

"Sec. 70-158. Rate, payment.

For the privilege of occupancy in any hotel, each transient is subject to and shall pay a tax in the amount of ~~7½~~ 10 percent of the rent charged by the operator. This tax constitutes a debt owed by the transient to the City which is extinguished only by payment to the operator or to the City. The transient shall pay the tax to the operator of the hotel at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel occupancy. If for any reason the tax due is not paid to the operator of the hotel, the Tax Administrator may require that such tax shall be paid directly to the Tax Administrator.

SECTION 3. Section 70-159 of Article IV of Chapter 70 of the Azusa Municipal Code is hereby amended to read as follows:

"Sec. 70-159. Exemptions.

(a) No tax levied under this article shall be imposed upon the following:

- (1) Any person as to whom, or any occupancy as to which it is beyond the power of the City to impose the tax.
- (2) Any federal or State *of California* officer or employee when *occupying a room while* on official *government* business. *For purposes of this section, students, non-employee supporters and volunteers of California public universities and colleges shall not be deemed to be officers or employees of the State of California.*
- (3) Any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty.

(b) No exemption shall be granted except upon a claim therefor made at the time rent is collected and under penalty of perjury upon a form prescribed by the Tax

Administrator. *Any federal or State of California officer or employee when on official government business claiming such an exemption shall provide to the operator as conclusive evidence that his or her occupancy is for the official business of his or her employer:*

- (1) *Travel orders from his or her government employer; or a government warrant issued by his or her employer to pay for the occupancy; or a government credit card issued by his or her employer to pay for the occupancy; and*
- (2) *proof of his or her governmental employment as an employee or officer as described in paragraph (1) of this subsection (b), and proof, consistent with these provisions, that his or her occupancy is for the official business of his or her governmental employer.*

It shall be the duty of an operator to keep and maintain for a period of three (3) years written documentation in support of each exemption granted under this Section."

SECTION 4. Effective Date. Pursuant to California Constitution Article XIII C §(2)(b) and California Elections Code §9217, if a majority of the qualified voters voting in the election on Measure "A" vote in favor of the adoption of such measure, this ordinance shall be deemed valid and binding and shall be considered as adopted upon the date that the vote is declared by the City Council, and shall go into effect ten (10) days after that date.

SECTION 5. Severability. If any section, sentence, clause or phrase of this ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions of this ordinance. The People of the City of Azusa hereby declare that they would have adopted this ordinance and each section, sentence, clause or phrase thereof, irrespective of the fact that any one or more section, subsections, sentences, clauses or phrases be declared invalid or unconstitutional.

SECTION 6. Certification/Summary. Following the City Clerk's certification that the citizens of Azusa have approved this Ordinance, the Mayor shall sign this Ordinance and the City Clerk shall cause the same to be entered in the book of original ordinances of said City; and shall cause the same, or a summary thereof, to be published as required by law.
